American Numismatic Association Launches New Blog

ANA Coin Press Offers Original Numismatic Content

The American Numismatic Association (ANA) launched a new [blog](#) in November. A project that has been in the works for over a year, the new blog features exclusive articles for beginning and intermediate collectors, stories that previously ran in *The Numismatist* (the ANA's monthly hobby publication), articles highlighting specimens and collections from the ANA Money Museum and more. Both ANA members and non-members can access the blog.

The name "[ANA Coin Press](#)" was selected for the new blog after the Association ran a naming contest. Collectors were asked to submit blog name ideas for the chance to win a prize valued at \$100. The winner for the contest is Jake Miller, who received an MS-65 1881-S Morgan dollar as the grand prize.
