## **New Refreshed Contents Tool to Launch in April Edition of *The Numismatist* Online**

The American Numismatic Association (ANA) is proud to announce the launch of the refreshed "contents view" for its renowned publication, *The Numismatist*. This new feature is designed for members who access the magazine on their phones or tablets, offering a reorganized layout that is both visually appealing and user-friendly.

With the refreshed "contents view," members will find it easier to navigate through the magazine's wealth of numismatic content. Additionally, readers will now have the opportunity to explore exclusive offers from the ANA's valued partners, directly from their digital devices.

"Our goal with the refreshed 'contents view' is to provide our members with an enhanced reading experience that reflects the evolving digital landscape," said Caleb Noel, editor-in-chief of *The Numismatist*. "We are excited to introduce this new feature, which not only benefits our readers but also adds value for our exclusive partners."

All members who enjoy reading the digital version of *The Numismatist* will enjoy the refreshed "contents view" and all that it offers. Platinum members are encouraged to log in on their phones and explore this new interface firsthand.

To experience the refreshed "contents view" of *The Numismatist*, simply log in to your ANA account ([money.org](https://money.org)) on your phone or tablet and start exploring as early as the April edition is released.

For more information about the American Numismatic Association and *The Numismatist* magazine, please visit [money.org/publications](https://money.org/publications).

The American Numismatic Association is a congressionally chartered, nonprofit educational organization dedicated to encouraging the study and collection of coins and related items. The ANA helps its members and the public discover and explore the world of money through its vast array of educational and outreach programs, to include its museum, library, publications, conventions and webinars.
